

Livestock Shelters

Year round protection

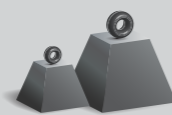

A Tru-Bilt Livestock Shelter offers your livestock or horses all year round protection. If you are looking for something a little different, we can manufacture many different forms of Livestock Shelters. If you need to provide shelter for livestock, a prize winning horse or a lovable pet then we can manufacture a Livestock Shelter to suit your needs and budget. All Tru-Bilt Livestock Shelters are made from durable materials that will

provide protection from the tough Australian climate for many years to come.

Should you desire, you can easily install your own internal kick boards to further increase comfort levels and safety for your livestock. Due to our smart design and manufacturing process our Livestock Shelters are quick and easy to construct with superior strength built in.

Simplistic design built to last

Easy construction with superior strength
